Worthy President's Letter

Hello my Brothers and Sisters,

I would just like to take this opportunity to thank some of our members. We've got a lot of members stepping up these days. I'd like to thank Kris, Fred and crew as well as Shelly and Troy Holmes for all the work they put into making the benefit for Jerry Ball such a success. I'd also like to thank one of our new members, Richard Hunter. He and Phil installed the new ceiling fans. Richard also replaced the lights on the wall of Honor as well as getting the light in the hallway by the upstairs restrooms working. Auxiliary member Lori Ray and her daughter have started doing our Wednesday burger nights again and they are great. I'd hate for her to get burned out though so if anyone would be willing to help her out, it would be greatly appreciated. We also have Paul and Maynard putting on a little October Fest Oct. 13th complete with a traditional German dinner and German music. On the 20th we will be having a fundraiser for Roger. Please see flyers and more information on these and other upcoming events included in this newsletter and calendar.

I'd also like to inform you of a few things. As some of you may know we are helping out our Arvada Brothers and Sisters for a while. We are allowing them to hold their meetings at our club on Monday nights. As well as have their Anniversary here on November 3rd. We wish them the best of luck and are willing to do what we can to help them out.

As I mentioned last month we are planning for our New Years Eve Party. If you have any input or want to know what we're thinking, please attend our next Joint Officers meeting on October 10th at 7:00 p.m.

If you are interested in getting information on how to get free Christmas gifts for your children or grandchildren I will be having a meeting on Sunday October 14th at 1:30 sharp downstairs at the club. By getting started on time it should only take about ½ an hour. This will be a one time offer so please be there if interested. We will also be giving and delivering free cooked and individually packaged Thanksgiving dinners to those in need. Please watch for more details to come.

Last, I hope you have all had a chance to see our new TV in the social room. It's great for the Bronco games. A couple of things that aren't so great about the Bronco games is that they're losing and for our Bronco Pot Lucks we are only having a few people bring in food ,but everyone that's there is eating. Please try to bring something to share or at least contribute in the donation jar.

Thank you.

Your Worthy President,

Ted Chavez

Madam President's Letter

Dear Brother's and Sister:

Where did summer go??? We are now changing seasons, the leaves are falling and there is a nip in the air. Kids are back in school.

There are things that are changing in our club and it's definitely for the better. We got a large screen TV in our social room. Want to thank the people who made that possible.

There was a bartender meeting and a lot of good things came out of the meeting. The most important thing is communication. I think that should be for all of us here. Please be aware of our rules. Please use your card key to get into the building. We are going to start giving a dollar fine for not using your card. There are times that we are busy and unable to open the door every time it rings. We are now watching and being more aware of who is coming in and out. We have a rule if you visit more than three (3) times - you need to become a member. If we think you have had enough to drink we will enforce and you will be cut off. Please help our bartenders out - if you move tables together please put back. We can only do so much. Remember we are only volunteers too. We have enough to do, we are bartender, dishwasher, bouncer, etc. Please give the bartenders the respect they should get. Most important don't forget to tip - we are only volunteers.

The ladies auxiliary is starting up burgers on Wednesday nights. Lori Ray and her daughter stepped up and they are cooking our burgers. Please come in and try one. They are absolutely wonderful. That does not mean we don't need volunteers. We would like other people to help.

Please look on our calendar to see what is happening.

Love, Peace and Happiness

Madam President

Barbara Vallejos

Trustee's Letter

Just a few updates and reminders. We are having an outside company come in this week to inspect and advise us about the boiler. Next as stated in our House Rules after three visits we ask that our guests join our club. This is a private club and we are all required to pay our dues. Also as a private club we have been issued key cards for the front door. Please use them.

We recently had a meeting with our bartenders. It has been reminded to them that they are NOT allowed to run tabs for anyone. They were also instructed to not serve anyone who appears to have had too much to drink. This is to protect you as well as our club. Also, please remember bullying or harassing of other members will not be tolerated.

Thank you,

Trustees

Thank you!!!

The fund raiser for Jerry Ball was a huge success. Would like to take the time to thank each and every one by name but there were so many that donated either raffle items, auction items, food, and their time that the list would be too long. So thank you to everyone for making the day a very fun and successful day. We raised \$3379.50. This is what the Eagles are about, People helping People. Again thank you to everyone.

Please come join us on Oct. 20th to help our friend and Brother Rodger.

K.V.O.T.

Next,

October 20th 4:00 – 7:00

8651 Huron St. Thornton, CO (303-427-2236)
