Worthy President's Letter

Happy New Year my Brothers and Sisters,

The first thing I need to do is thank all of you for allowing me to be your new Worthy President. I am pleasantly excited and somewhat nervous to take over the office from Brother Ted. How does a person follow an act like him? He has done such a wonderful job for all of us. Not just for one term, but three consecutive terms. Wow! Ted is out of office but still very much a part of our team. I have asked him to be my direct advisor and he has also accepted one of the trusty positions.

Secondly I would like to publicly thank the state officers that graciously volunteered their time to make our installation a huge success. The leadership and direction that they provide during the installation is but a very small part of the things they do to assist our Eagle family. The total years of combined experience that this group has is mind boggling.

The installation team consisted of:

Larry and Rosie Stinnette from Commerce City #3461, Jess and Ruthie Hankins from Grand Junction #595, Trish Ham from Aurora #3224, Judy Nahler also from Aurora #3224, and even our very own Dave Montoya filling in to assist. Thanks Dave

Special thanks to our State Madam President Sandy Younger for organizing the installation team.

Last but definitely not least I would like to thank the upcoming year's officers who have committed their time to assist in making this year a very fruitful, exciting year.

This years Thornton Eagle Aerie #3226 officers are:

Jr. Past Worthy President - Eldon Younger	Worthy Vice President - (open)
Worthy Chaplain - Richard Wise	Worthy Secretary - Kathy McNeil
Worthy Conductor - Phil Vallejos	Worthy Inside Guard - Rufus Chavez
Worthy Trustees - Mark Martinez, Mike Philbin, and Ted Chavez	

Thank you,

Joe Atencio

Madam President's Letter

Dear Sister's and Brother's

Well this is my last letter as Thornton Aerie Madam President for the last two years. It's been a honor and a pleasure being your president. I hope you felt the same way having me. It's been a lot of work, time to move on and let someone else carry the reins. It's time to spend more time with my grandbaby. I know the new officers will do great job. Our new president is Mary Dewey. Please welcome her with open arms. Our new officers will do a great job. I am not going anywhere, I will be our Junior Past Madam President. I will still be bartending – you guys aren't that lucky to get rid of me.

Mary you will do a great job – just remember be yourself, be honest and don't be afraid to ask for help. As for the other officers, you are just as important as the president. You are the back bone of the ladies auxiliary, you make Thornton shine.

Without you the member's there wouldn't be an auxiliary – please show the pride and please attend the meetings.

I would like to thank my parent's Bernie and Gladys Montoya and my husband Phil, and Mary Dewey for coming in and helping me clean the kitchen. We cleaned the refrigerator out and washed dishes, cleaned windows scrubbed the kitchen floor, cleaned out cabinets. The kitchen shined when we were done. Thanks a million!!!

On another note that is not so good. I had left a bag in the kitchen the night of Anniversary it had candles, a basket, stationary and a box of candy and other goodies that I was donating to the ladies auxiliary for games that we play in our meeting. I had left it there knowing I would be back on Tuesday . Well it had feet and walked off. I was very disappointed – this came out of my pocket. Please don't take anything that is not yours. Please ask before taking.

Well I won't blubber on - Thank you and God bless

Love, Peace and Happiness

Barbara Vallejos
Madam President

Just Me

First, of all I would like to congratulate our own Eldon Younger as the Incoming State President. Eldon is the first State President to come out of Thornton. Congratulations!

Keeping it in the family, I'd like to compliment Sandy Younger on the wonderful job she has done this past year as State Madam President. Way to go Sis, Great Job!

Next I'd like to thank Kevin and Gina for stepping up and offering to cook on Tuesday Auxiliary meeting nights, on Thursday nights and also doing one of our Wednesday burger nights this month. Thank you so much!

Last I would like to ask for your support this Friday for a fundraiser dinner for the *RACERS* Softball Team I coach. We are trying to raise money to buy trophies, food and supplies for our end of season celebration. I'd really appreciate your help with this. Some of our families struggle a bit. So please consider coming to buy a dinner.

Thanks, Ted
