HAPPY JULY BIRTHDAYS!!

Worthy President's Message

My Brothers and Sisters,

First of all, I would like to thank everyone for welcoming me into my new position as President of the Thornton Eagles. Also I would like to thank Joe Atencio for his time and effort as President this past year.

I would like to Congratulate Timmie Torres in her new position as State Madam President!!! It is an honor and pleasure to have a State President out of our Eagles home. I would also like to thank Eldon Younger for the past year as State Worthy President, he is also out of our Thornton Eagles Club! Thanks for all of his hard work and efforts in raising money for the DRC and other organizations. I got one more person to congratulate, and that would be Ted Chavez for being the State, "Eagle of the Year"! Ted does so much, not only for our club but for all he does for our kids and our community (just too much to list)!

I would invite you all to come to me with any concerns or ideas to make our Thornton Eagles home run as smooth as possible this year. I hope I will do all of you proud in being your next President.

Sincerely,

Phil Vallejos

Worthy President

Madam President's Message

Greetings Sisters and Brothers,

I am writing this letter as I'm on a road trip with my granddaughter traveling from Colorado to Ohio, up to Minnesota, across South Dakota then will be headed home, all in a weeks' time. We dodged tornadoes but not the rain, took shelter in the basement of the Children's Museum in Indiana, and shared dinner with friends who came from an Amish family. Denver's weather is really nice compared to some of the storms we've been in.

In June several of us from Thornton watched Timmie Torres be installed as State Madam President. What an honor it was for me to attend the State Convention hosted by Aurora #3224 and to present our Auxiliary flag at the Opening Ceremony. Timmie plans to have a fun year and her colors of denim blue and peach reflect that. Thanks to Deb Montoya for coordinating the warming and serving of copious amounts of food for the Incoming President's Reception! And Yvonne and Morgan Brezall were busy keeping the trays filled with all the delicious food and watching over all the guests. They went out of their way to assist - these three gals did a superb job.

In addition to Timmie being a State officer, Davida Gonzales has been installed as State Treasurer, and Eldon Younger moved into Jr. Past Worthy President. Congrats to all!

We don't have any Auxiliary events scheduled for July and hamburger night has been suspended until August or September due to several people having summer plans. If anyone is interested in cooking burgers one Wednesday night a month when we start back up, please let us know. You will be helping out our auxiliary tremendously.

The Auxiliary is looking to do some new types of fundraisers this year, so if you have ideas on what type of food we should serve or events you would like us to host, please come to a meeting to share your ideas on the first and third Tuesdays of the month.

I hope everyone has a safe and happy 4th of July holiday. Remember, it is the birth of our independence and think how fortunate we are to be living in the United States. Watch some fireworks, do some grilling and enjoy!

Warm regards,

Mary Dewey

FYI, we are planning on re-doing our parking lot within the next couple of weeks or so. Sorry for the inconvenience. But it shouldn't take long. Please express any concerns you would like addressed at an Aerie our meeting. We are looking for a great year this year and hope that we can all be supportive of our new President and each other. Thank you, Trustees
