Worthy President's Message

Greetings Brothers and Sisters,

I can't believe that summer is already coming to an end. Just a friendly reminder our yearly barbecue will be in September. We are asking member to bring a side dish to share.

I want to thank everyone that has donated their time for helping around the club. There are quite a few people that have weeded, done breakfast or has donated breakfast, donated plants and trees, and asked for a speaker outside. Just a great big shout out to everyone. I don't want to name everybody because I don't want to leave anyone out. We really do appreciate all you do. Thanks to you members we are a great place to hang out. People are really stepping up and helping. Again, many thanks to everyone.

I would like to thank Ted Chavez for doing the back packs this year. I know there were a lot of our children, nieces and nephews and grandchildren who benefited from this.

This is a private club where you can bring kids. Please remember they are your responsibility. They have been seen climbing on our furniture and seen climbing the roof, hanging on the drain pipe, climbing trees and pouring soap in the bathroom floors. We do not want them or our members to get hurt. If your children are going to be outside there should be adult supervision.

We have the holidays quickly approaching. We would like to bring in bands. If anyone has a band in mind, please let us know. We are always up for suggestion on anything. We would really like you to come to a meeting and let us know your opinions and ideas.

As you know Bronco season has started up and would like to invite you to come to watch the Bronco Games here at Thornton. We always have a great time. Please remember to bring a dish to share or donate money.

Hope to see you at the club.

Fraternally,

Phil Vallejos

Madam President's Message

Greetings Sisters and Brothers,

The kids are back in school and the last summer holiday is coming up; Labor Day. According to the United States Department of Labor, Labor Day, the first Monday in September, is a creation of the labor movement and is dedicated to the social and economic achievements of American workers. It constitutes a yearly national tribute to the contributions workers have made to the strength, prosperity, and well-being of our country. Did you know that Colorado was among the first few states to approve it as a legal holiday in 1887? On June 28 of 1994, Congress passed an act making the first Monday in September of each year a legal holiday in the District of Columbia and the territories. I am pretty sure we all have done our share of labor, and look forward to a holiday to kick back, do some grilling and enjoy the 3-day weekend.

On September 18th, Grand Madam President Gloria Mason will be joining us for a meet and greet from 6-8 p.m. The Auxiliary will be providing hors d'oeuvres. We hope you can attend, and would appreciate any appetizer/dessert donations. Please email or call to let me know what you can bring.

On September 13th the Aerie and Auxiliary will be hosting an annual picnic for members and their immediate families. The Auxiliary is asking for members to bring side dishes and desserts and the Aerie will supply the meat. We always have a huge turnout, and hope that you will be part of it.

Help Cecil, help! Do you remember the cartoon Beany and Cecil? No matter, it may have been before you time. What does matter is that we need help. The Auxiliary, in order to stay afloat, needs to raise money. Our only means of support are dinner fundraisers, which we will be starting back up in September. Can you with a friend or other member make burgers or some other food one night a month? In the past we've had "Burger Wednesdays", but if you want to prepare something else for another night, it would be greatly appreciated. Please let us know by the 20th of the month before the event so it can be included on the calendar.

Here are some dates worth celebrating in September: 1st/Labor Day, 2nd/VJ Day WW II, 7th/Grandparent's Day, 9th SMP Timmie Torres' Birthday, 11th/911 Remembrance, 12th/Chocolate Milk Shake Day, 16th/Mexican Independence Day, 17th/Constitution Day, 19th/International Talk Like a Pirate Day, 23rd/Autumnal Equinox, 24th/Rosh Hashanah, 26th/Native American Day. Why not make up your own day to celebrate???

That's all the news I have to share. Please let me know if there is something we can include in next month's newsletter.

Warm regards,

Mary Dewey
