

Trustee's Page

As Members & Officers of this club. We all have rights & privileges. However we also have responsibilities. Please be a good member or Officer & respect these rights & privileges of others. We cannot keep every member happy all the time. If there is a problem go through the proper channels, ask a bartender or Trustee for help or assistance. DO NOT handle things yourself. Bullying or intimidation of other members or guests WILL NOT be tolerated. Included in this month's newsletter is a copy of the last approved house rules. Please abide by them. We hate to give discipline letters to members but lately a number of issues have come up & we have had no choice. We are emphasizing "Kindness & Politeness at our officer & staff meetings. We know we are in the "Hospitality Business" So please help us out.

We have also asked our bartenders to be more consciences about over serving. This is for everyone's protection as well as the liability of the club. We are asking that only the bartenders or turn on or off the T.V.'s. We have had problems with them being turned off incorrectly and had to reset them.

As mentioned in the President's letter PLEASE supervise you children when in the club or out in the yard. We pride ourselves in being a family friendly club and have gained a lot of members with younger children, but please help us out with this.

We are in need of a New Year's Eve Chairperson and committee. Time is running out to hire a band and a caterer. We need people to step up. We are always getting comments on who we should have had or what we should have done so here is your chance to show us your ideas.

Lastly, we want to give a BIG thanks to Carolina, Sophia, Debbie, Vicky, all the others that helped and to those of you that brought candy and treats for the Kids Halloween Party. It was a huge success and you can tell they put a lot of work into it. The kids had a great time.

We'll hope to see you at the club and try to join us for the Bronco games and remember to bring something for the pot luck or please donate.

Thank you for your cooperation,
Trustees
