Presidents Letter

Hello my Eagle Brothers and Sisters,

Wow, summer is flying by. I'd like to thank everyone for their continued support and to thank those of you that help out around the club. We continue to have members volunteer to help as needed. Again I thank you. Please know that you don't have to be an officer or trustee to help out around our club. We always need volunteers for a number of things.

We have a lot of things happening in August. I would like to remind you about our school supply give away on August 11th. A flyer with a sign up sheet is included in this newsletter with more information. These school supplies are provided to us through a partnership with a group called A Precious Child and will be provided to our members children, grandchildren or children in our community that need the assistance. Please fill out the sign up sheet and return it on the 11th.

Also, please plan on joining us on the 18th for a fundraiser for Huntington's disease hosted by our State Madam President Sandy Younger. Flyer with more information to follow.

Lastly, please plan on joining us on the 25th for a **BIG** combination event. We will be having our summer picnic, member appreciation, Memorial for our Eagle Brothers and Sister who have past (most recently Dave Smith) and our Back to Back Aerie of The Year Celebration. We will have free beer, free food and a live band. It's going to be a blast. Again, more information to follow.

Please consider helping us save postage and copying cost by receiving your newsletter by e-mail only. E-mail me at tchavez@thorntoneagles.com to be added to the distribution list. Thank you.

I hope to see you at the club.

Ted Chavez – Worthy President

Madam Presidents Letter

Dear Sister's and Brother's

I want to congratulate each and every one of you! Our Thornton Eagles has won the Eagle of the year for the second year. What a great accomplishment. Without you our members, we would not be where we are.

In my last letter I had mentioned a group of us going up to Grand Junction to cheer on our folks. Sandy Younger is now the State Madam, Timmie Torres is now state chaplain. On the aerie side we have Eldon Younger he is now State Chaplain and Abe Praznick is State Trustee. Congratulation to all of them.

I had the pleasure of being Timmie's aid one day. I was on the escort team. It was a pleasure and an honor to have that position. It was wonderful to see one of our own walking down the aisle.

This summer has been a heart ache for some loosing loved ones, parent, sister's, brother's, grandparent's and pet's. I want to take this time and mention a friend we all had. Dave Smith other wise known as Snuffy, Do Dah, Doc. He broke me in as a bartender. He would come in and say white handle and clean glass. Serve him his beer and he would pay and then say this one is for you. He would drink his beer and it wasn't even half empty we bartender's didn't even ask we would fill him another. He liked sitting at the bar and he came in at the same time and he would say "Barb can you change the channel" I would oblige and change the channel and at time we had wars with music and the TV. He has touched us all in different ways. May the lord comfort his family in the time of need. Rest in peace my friend.

Please be kind and respect all of our member's – we don't want to be friends we want to be family. Remember if you have a problem please go to a trusty or a bartender. Remember your bartender, she is there volunteering and gets paid by tips only.

Ladies auxiliary meeting are held the first and third Tuesday of each month.

August meetings will be:

August 7th and August 14th

Love, Peace and Happiness

Madam President
Barbara Vallejos

A Special Thanks!

My sincere thanks to the Aerie and Auxiliary for all the support and help at State Convention. It was heartwarming to have so many from Thornton 3226 attend the Convention and share in this special time - my Eagle family and my real family too! I'm so proud to be representing Thornton as I serve Colorado as Madam President this year! What an honor! It will be so special to hold Spring Conference at Thornton in March 2013! We look forward to working with all the volunteers who come together to make our Aerie and Auxiliary strong and to have a good time doing it! Again, my thanks for being there! You are awesome!

Love to all,
Sandy Younger
