Worthy President's Letter

Hello my Brothers and Sisters,

Hope everyone is enjoying the fantastic weather and longer days. In my opinion, it sure beats the cold short days of winter.

As all of you have noticed the construction of the patio in the back yard is under way and the new concrete slab is on the schedule to be poured as this letter goes to print. I have heard nothing but good reviews about the structure from our members. It is being built very rugged and will be used for many years into the future.

Please join me in congratulating Thornton's newest state officers:
Timmie Torres is now the State Madam Vice President
Sandy Younger is now the State Junior Past Madam President
Eldon Younger is now the State Worthy President

These three people and their supporting cast have worked their tails off to get into these positions. It is a great honor to all of us to have such capable people in these high state offices come from our home Aerie.

I would like to ask all members to consider joining a membership/ interviewing committee to assist the trustees with the task of recruiting and interviewing potential new members. I believe this will help to ensure that we, not just meet, but exceed our new member quota for the year. If anybody has interest or ideas you would like to share please feel free to contact me at your earliest convenience.

One last favor:

The Aerie is in need of some basic hand tools to keep around the club. Anything you have lying around that you may not need may be helpful. Any monetary donations you may want to provide for this cause will be accepted as well. If we get enough cash maybe we can buy a cordless drill or other small power tools. The Trustees have continually brought and used their own hand tools to work on Aerie projects. This is very much appreciated but should not be the norm. With a little bit of help we should be able to not depend on personal tools.

Thank you all and God Bless,

Joe Atencio - President

Madam President's Letter

Dear Sisters and Brothers,

Hello! I am your new Auxiliary President, Mary Dewey. I am honored to have been chosen for this position, and will do my best for our members of the Auxiliary and Aerie.

I have a tough act to follow after my position of Vice President under Barb Vallejo's reign as Madam President. Barb has been my role model for the past two years, and I hope I can fill her shoes. By the way, she has some REALLY cute shoes!

Last weekend was the State Convention at 3260 East Side in Colorado Springs, and it was an incredible experience. I met lots of sisters from many cities around Colorado. It was awesome to witness the installation of the State officers. Our very own Sandy Younger moved from State Madam President to the State position of Jr. Past Madam President, Timmie Torres moved to State Vice President. Our Aurora sister Trish Ham is now the State Auxiliary Madam President. I can't forget to mention Eldon Younger was installed as the new State Worthy President. We have a great presence at the State level, and next I hope that we have more officers and members in attendance at Convention.

Speaking of members, I invite you to join Worthy President Joe Atencio and me as we host a dinner on July 21st. This is our official "meet and greet" as well as a fundraising dinner for Eldon Younger to help with his upcoming expenses as State Worthy President. We will have raffles for baskets, 50/50s, a D.J., delicious food and lots of fun. Please see the calendar for details.

We have had some very tasty food made by Gina and Kevin over the past month, and they will continue to please our palates into July (hopefully longer). If you haven't been in for a dinner, you are missing out. Please remember that they too are volunteers, and appreciate your tips, just like our bartenders.

We still have a couple openings for officers in the Auxiliary. If you're interested and can attend meetings twice a month, please let me or one of the other Auxiliary officers know. These awesome ladies are:

Barb Vallejos, Jr. Past Madam President; Marti Meredith, Vice President; Lillian Martinez, Madam Chaplain; Sandy Younger, Madam Conductor; Madam Secretary, Deb Montoya; Madam Treasurer, Betty Horn, and Madam Trustee, Timmie Torres. These ladies and Davida Gonzales are a great help and support to me. I love them all, and trust they will guide me through the year.

Sisters, we need more of you to be involved!!!! We're not asking a lot, just for you to help out a few times a year. People Helping People... that's what we do and we ask that you do your part. Come join us at our next meeting on July 2nd at 7:00 p.m.

Fraternally,

Mary Dewey
Madam President

Chaplain's Corner

Prayer: Brothers, understand what we are telling you: You can have forgiveness of your sins through Jesus. The law of Moses could not free you from your sins. But through Jesus everyone who believes is free from all sins. ~ Acts 13:32, 38-39
